### SAFETY FIRST & ASSUMPTION OF RISK

In case of an emergency call 911. For ski patrol assistance call Ski Patrol (307-733-7348) or contact the nearest lift operator. Helmet use is strongly encouraged. Alpine recreation is a high-risk activity. Know your limitations. Ski and ride safely, sober, and in control. Individuals who are impaired by alcohol or drugs, not following posted signage, or behaving recklessly are subject to suspension of lift privileges and/or legal action. All visitors to SKMR assume and accept risks of injury, damage, or loss.

### YOUR RESPONSIBILITY CODE

Always stay in control, and be able to stop or avoid other people or objects. People ahead have the right of way. It is your responsibility to avoid them. You must not stop where you obstruct a trail, or are not visible from above. Whenever starting downhill or merging, look uphill and yield. Use devices to help prevent runaway equipment. Observe signs and warnings. Keep off closed trails. Know how to load, ride and unload lifts safely.

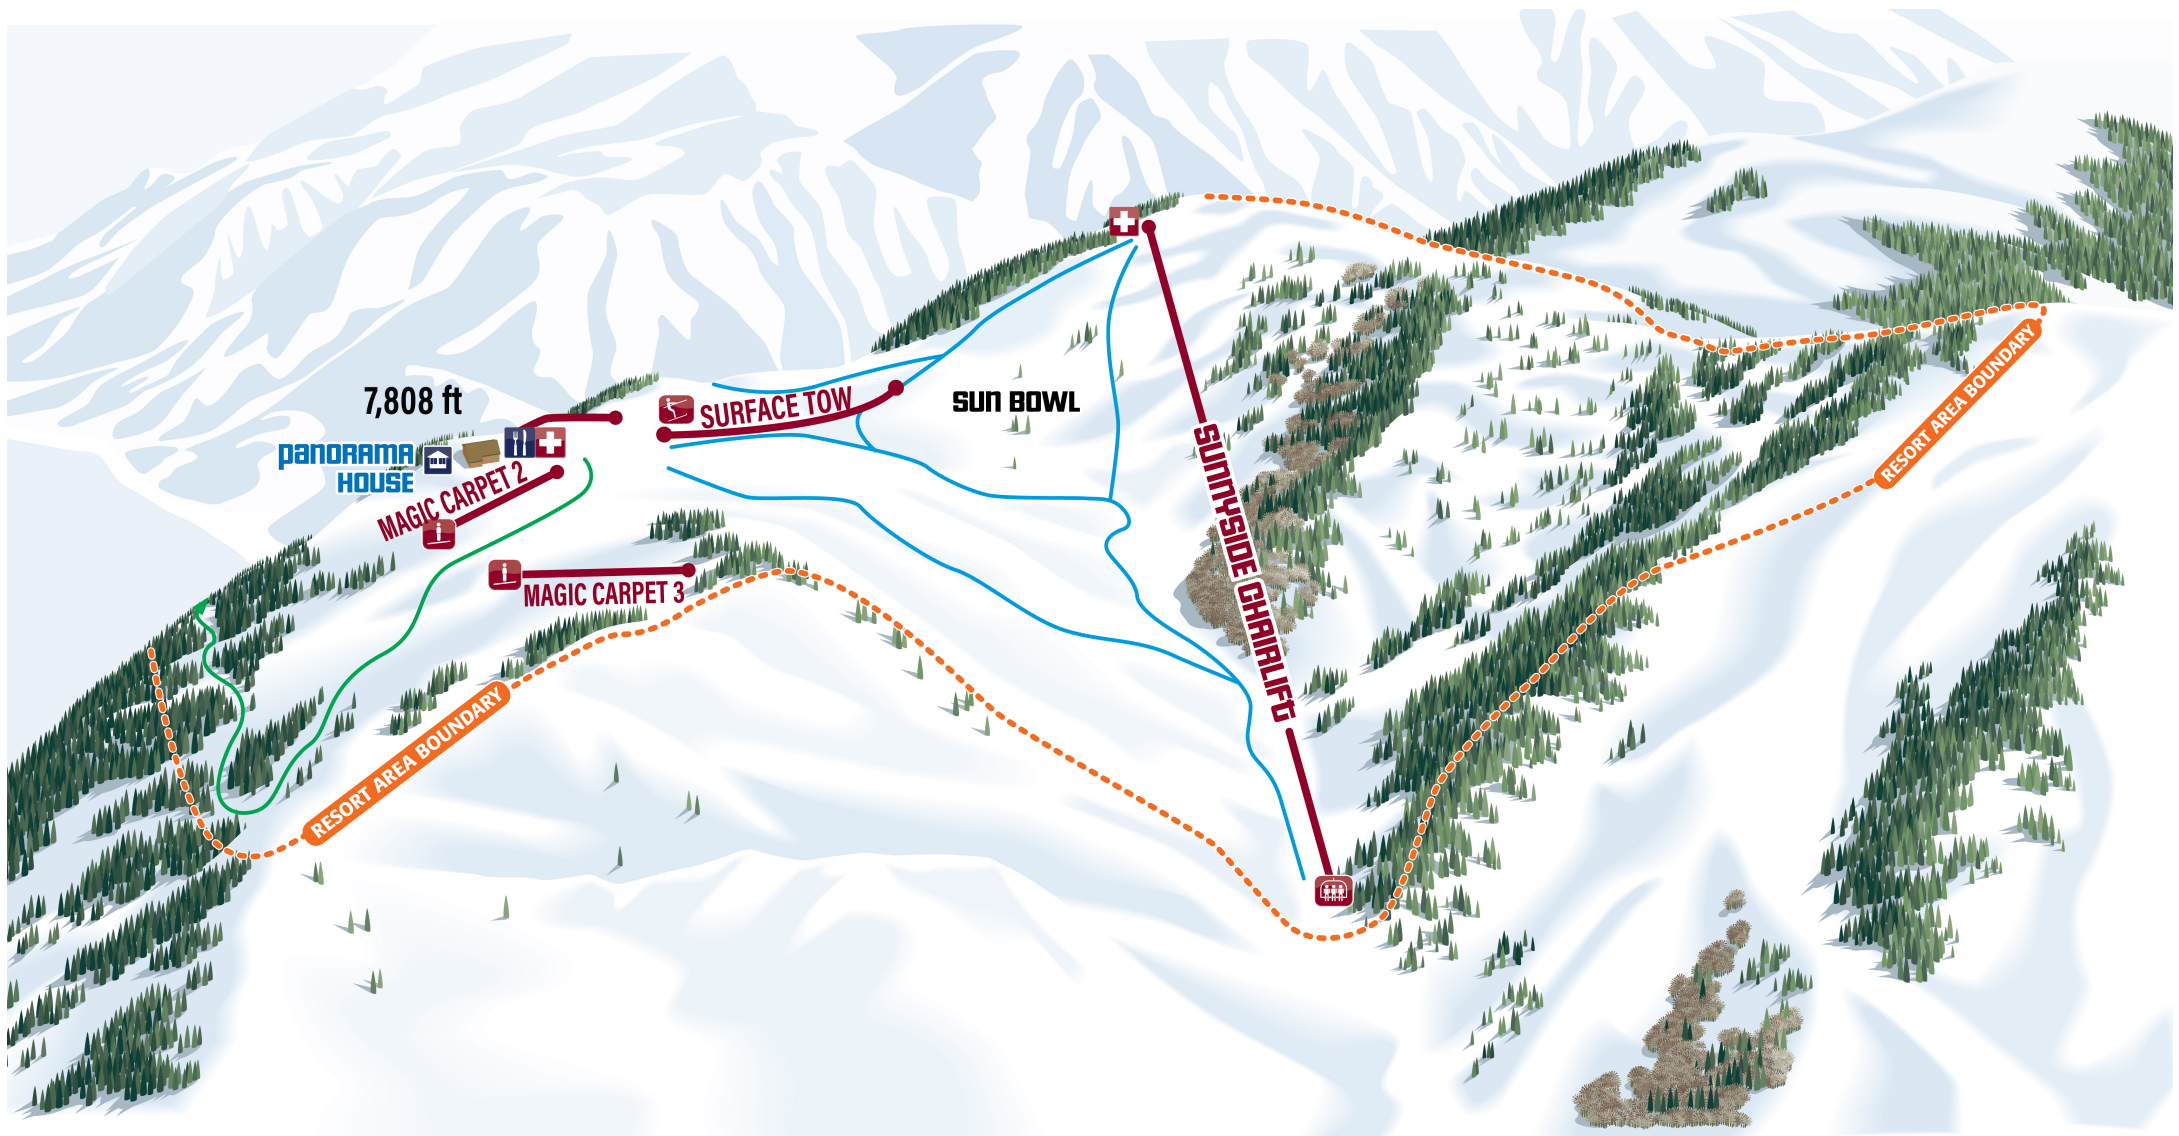

**UNDER PERMIT BY THE BTNP**  
Please note that trail rating system does not necessarily reflect the same degree of difficulty as similarly rated trails at other ski areas.
